for horses and seek a

## CAREER

as an equine media  
professional?

American Horse Publications (AHP) can start your professional journey. Our membership association of equine-related publications, media professionals, businesses and organizations has been opening doors to students pursuing a career in equine media since 1993.

### What former students say about AHP programs:

*"The connections I formed and the community I gained have proved invaluable as I've continued on in the industry with my professional career."*

**Catie Staszak**  
President & CEO, Catie Staszak Media, Inc.  
FEI Commentator and Journalist

*"The opportunity to attend the AHP conference shaped my career in so many ways. I was able to network with inspiring professionals and gain practical insight and valuable industry-specific advice which helped jumpstart my freelance writing career."*

**Lucile Vigouroux**  
Entrepreneur and Journalist

*"The AHP Student Award Program was a true launch pad for my equine media career. I highly recommend participation in this program for all aspiring equine media professionals."*

**Jessica Hein**  
Publications Director, Chrome & Paint Horse Journal

### Key criteria for finding your equine media career:

- NETWORKING
- GAIN EXPERIENCE
- EDUCATION

### How AHP can help you ACHIEVE YOUR GOAL

**AHP Equine Media Student Award** Open to high school seniors and college undergraduate students under age 25. Apply for the 2024 AHP Equine Media Student Award by January 30, 2024 for an opportunity to win cash awards to attend the AHP conference, network with key industry leaders, and be selected the 2024 winner.

[APPLY NOW](#)

**AHP CareerTrack** includes student internships opportunities as well as job postings offered by AHP members throughout the year. This is your chance to gain experience and work with leading equine publications, businesses, and associations in the field.
